## SUMMARY

I live and breathe **visual storytelling**, blending strategy with artistry in every piece I create. With expertise in digital illustration, branding, and AI-assisted design, **I craft visuals** that **connect emotion with strategy**. I bring curiosity, precision, and a collaborative spirit to every project, ensuring creativity always meets purpose.

## SKILLS

Expert in **Adobe Creative Suite** (Photoshop, Illustrator, InDesign, After Effects); proficient in Figma

Skilled in **digital illustration, concept art**, and visual composition with a sharp eye for detail and realism.

Adept at producing **web, social media, email, and product marketing** assets that align with brand voice and audience engagement goals.

Knowledge of **motion design principles** and developing visuals optimized for dynamic animation.

Demonstrated ability to translate creative briefs into **effective**, visually consistent deliverables under **tight deadlines**.
